It will be seen that both with regard to Mysore & Bangalore, the resolutions of the Rl Councils were slightly departed from, and the proportion of 1/3rd & 1/2 was fixed upon by Govt. The Dist Boards having been relieved of the any portion of the cost the proportion to be borne by the Govt & the Rl Councils was increased. This may be explained with the that the Rl Cl may acquiesce

I am directed to forward herewith the Municipality's Bill for the charges of the Ex Hospital

Requesting that the same may be passed by the Military may be pleased at 1/3 of the cost

Government Order of 24-6-1921, the Municipal contribution is now fixed at ½ of the cost. The Municipal Council have already heavy responsibilities and have undertaken several improvements recently The cost of the maintenance of the E.D Hospital as recently sanctioned by Government is far in excess of the previous cost and the Municipal Council feel that they are unable to bear more than 1/3 of the same.

I, therefore, request that as originally agreed to, the contribution to be paid by the Bangalore City Municipal Council be fixed at 1/3 of the cost as in the case of the other Municipality at Mysore and not at one half.

I have the honor to be

Sir,

Your most obedient servant,

To

President, Bangalore City Municipal Council.

SIR

With reference to your letter No.4 dated 8th July 1921 requesting that the contribution payable by the Bangalore City Municipal Council towards the maintenance of the Epidemic Diseases Hospital at Bangalore, may be fixed at 1/3rd instead of at half of the cost as directed by Government, I am directed to state that it is the duty of the Municipal Council under Section 54(o) of the Municipal Regulation to make proper arrangements for the control of epidemics and treatment of persons suffering from infectious diseases that as such the Municipality should have borne the whole cost, that it is a concession shown by the Government

to

to the Municipality that they have agreed to bear half the cost and that the District Board cannot be called upon to contribute anything towards the cost, as it is not one of their duties to maintain an A.D.Hospital within Municipal limits. In these circumstances Government trust that the Municipal Council will agree to the increased contribution.

I have the honour to be
Sir,
Your most obedient servant

for Secretary to Government,
